

LODE Alert: LODE Coalition Exposes Alleged Fraud and Mismanagement in Crypto Platform

Martin Lamb, [3/15/2025 7:42 AM]

 **OFFICIAL NOTICE** 

OFFICIAL NOTICE FROM THE LODE COALITION

It has been four weeks since our coalition—representing investors, service providers, and stakeholders, with over \$10 million USD in the LODE Platform—took legal action to demand accountability and transparency from the Directors of LODE (Switzerland) AG and affiliated entities in North America. To date, our legal inquiries remain unanswered. Upon further investigation, we have uncovered widespread deception and potential criminal misconduct at a scale beyond our initial concerns. Instead of providing transparency,

LODE's Directors have engaged in further misrepresentation, including establishing a new entity in the British Virgin Islands (BVI) and promoting LODE assets via www.orex.one. Investor requests for redemption of AGX/AUX tokens in exchange for silver and gold have been met with misleading claims of liquidity issues and frozen vault accounts. As a result, multiple civil and criminal proceedings are now in motion across several jurisdictions, including the United States and Canada. Authorities are actively reviewing legal violations and potential enforcement actions.

Our coalition is pursuing LODE (Switzerland) AG, but it has become evident that other entities—including LODELABS Inc. (Canada), LODE Payments International (Canada) Inc., and LODE Labs

LLC (USA)—are separately owned by LODE (Switzerland) AG Directors and associates such as Bruce Kamm of Florida.

ALL LODE INVESTORS AND CONTRIBUTORS TO LODE TOKENS, AGX COINS, AUX COINS AND ANY OTHER ASSETS THAT WERE SOLD TO THEM, ARE STRONGLY URGED TO SEEK INDEPENDENT LEGAL ADVICE AND FILE COMPLAINTS WITH RELEVANT AUTHORITIES.

For North American coordination, Attorney Mark Minister (Ohio, USA) is available at markministerlaw2@gmail.com | +1 419-946-2262.

Additionally, former LODE service providers, acting in good faith and ethical responsibility, are developing a new, transparent business model—free from the mismanagement that plagued LODE. This initiative includes a potential recovery pool for affected investors, operated on a best-efforts basis with no legal or financial obligations. Further updates will follow for those interested in participating. The current LODE structure is beyond recovery, burdened with debt, fraud, and mismanagement. However, we HAVE retained the best financial, technical, and managerial expertise from the original LODE—without those who misappropriated its resources. Further legal actions and updates will follow.

The LODE Coalition
